OBJECTIVE

A highly motivated and detail-oriented Computer Science student with a passion for problem-solving, software development, and emerging technologies. Seeking an opportunity to apply my technical skills, enhance my knowledge, and contribute to innovative projects in a dynamic environment.

WORK EXPERIENCE

Intern (Java Development) – Ducat (6 Month)

- Gaining hands-on experience in Java programming.
- Working on real-world projects and improving coding skills.
- Learning software development best practices.

EDUCATION

Diploma in Computer Science & Engineering

Govt.Polytechnic Rampur [2025]

Higher Secondary School

R.K.S.V.M.I.C, Bazpur , Uttarakhand [2022]

PROJECTS

News App Website (React.js)

- Developed a news website that fetches and displays live news using an API.
- Implemented a responsive UI with enhanced user experience features.

E-commerce Website (React.js)

- Created an e-commerce website where users can browse and purchase clothing items.
- Added features like user authentication, cart system, and filtering options.

Country Info Finder (JavaScript & API)

- Built a web application that provides complete information (population, area, currency, flag, etc.) when a country name is entered.
- Designed an interactive UI using HTML, CSS, and JavaScript.
